

## Quotes from Secretary of HUD Scott Turner

Quotes taken from Secretary Scott Turner's remarks at the Tucson Men's Center Ribbon Cutting and Dedication Ceremony.

"This is not a celebration of what man has done; this is a celebration of what God Almighty, the Sovereign King of Kings, has done. At HUD. We see our goal as doing more than aiding Americans to just get shelter and housing. Our ultimate aim is to nurture self-sufficiency and self-sustainability. That is our heart. Designed to launch individuals into a life of independence so they can secure meaningful employment, become a blessing to their families and communities, and ultimately experience the stability of homeownership and strong family formation.

However, we cannot achieve this vision without faith-based, Christ-centered organizations like Teen Challenge. You are truly serving as the hands and feet of Jesus by ministering every day to people who are made in the image of God. I am honored to be here celebrating this brand-new men's facility. This center will serve as a beacon of hope, healing, and encouragement for the men, women, and youth of this great community."
