

Tucson Men's Center Dedication & Ribbon Cutting

From Reverend Snow Peabody

On May 1, 2026, we witnessed one of the greatest miracles we have ever seen within Teen Challenge of Arizona. As we came to dedicate the new Tucson Men's Center, this expanded facility offers hope for many seeking a changed life free from drug and alcohol addiction through our Christian faith-based recovery program. It is my prayer that the cross prominently displayed on the front of the center's chapel becomes a beacon of God's love to the whole community and beyond.
