

PROGRAM STRUCTURE PACKET

TUCSON MEN'S INDUCTION CENTER

Mission Statement

To provide, youth, adults and families with an effective and comprehensive Christian faith-based solution to life-controlling drug and alcohol problems in order to become productive members of society. By applying biblical principles, Teen Challenge of Arizona endeavors to help people become mentally sound, emotionally balanced, socially adjusted, physically well and spiritually alive through Jesus Christ.

To New Students:

Welcome to Teen Challenge – we are glad that you are here. It is our deepest hope that you have an encounter with God, while you are in the program that will change your life forever. The program will provide you with structure, but the program itself cannot offer the change you seek. God's grace, truth, time and relationships with other people will bring about the heart transformation that you desire. Let's seek God together and discover His plans for our lives.

Sincerely,

Teen Challenge Staff & Leadership

STATEMENT OF FAITH – TEEN CHALLENGE OF ARIZONA BELIEVES:

The scriptures are inspired by God and declare His design and plan for mankind (2 Timothy 3:15-17).

There is only One True God; revealed in three persons...Father, Son and Holy Spirit (Deuteronomy 6:4).

In the Deity of the Lord Jesus Christ. As God's son Jesus was both human and divine (Matthew 1:23).

Though originally good, Man Willingly Fell to Sin – ushering evil and death, both physical and spiritual, into the world (Genesis 1:26-27).

Every Person Can Have Restored Fellowship with God Through 'Salvation'...trusting Christ, through faith and repentance, to be our personal Savior (Luke 24:47).

In Water Baptism by Immersion after repenting of one's sins and receiving Christ's gift of salvation and Holy Communion as a symbolic remembrance of Christ's suffering and death for our salvation (Matthew 28:19).

The Baptism in the Holy Spirit is a Special Experience Following Salvation that empowers believers for witnessing and effective service, just as it did in New Testament times (Luke 24:49).

The Initial Physical Evidence of the Baptism in the Holy Spirit is Speaking in Tongues, as experienced on the Day of Pentecost and referenced throughout Acts and the Epistles (Acts 2:4).

Sanctification initially occurs at Salvation and is not only a declaration that a believer is holy, but also a progressive lifelong process of separating from evil as believers continually draw closer to God and become more Christ-like (Romans 12:1).

The Church has a mission to seek and save all who are lost in sin. We believe 'the Church' is the Body of Christ and consists of the people who, throughout time, have accepted God's offer of redemption (regardless of religious denomination) through the sacrificial death of His son Jesus Christ (Ephesians 1:22-23).

A Divinely Called and Scripturally Ordained Leadership Ministry Serves the Church. The Bible teaches that each of us under leadership must commit ourselves to reach others for Christ, to worship Him with other believers, to build up or edify the body of believers-the Church and to meet human need with ministries of love and compassion (Mark 16:15-20).

Divine Healing of the Sick is a Privilege for Christians Today and is provided for in Christ's atonement (His sacrificial death on the cross for our sins) (Isaiah 53: 45).

In The Blessed Hope – When Jesus Raptures His Church prior to His Return to Earth (the second coming). At this future moment in time all believers who have died will rise from their graves and will meet the Lord in the air, and Christians who are alive will be caught up with them, to be with the Lord forever (1 Thessalonians 4:16-17).

In The Millennial Reign of Christ when Jesus returns with His saints at His second coming and begins His benevolent rule over earth for 1,000 years. This millennial reign will bring the salvation of national Israel and the establishment of universal peace Zechariah 14:5).

A Final Judgment Will Take Place for those who have rejected Christ. They will be judged for their sin and consigned to eternal punishment in a punishing lake of fire (Matthew 25:46).

And look forward to the perfect New Heavens and a New Earth that Christ is preparing for all people, of all time, who have accepted Him. We will live and dwell with Him there forever following His millennial reign on Earth. 'And so shall we forever be with the Lord!' (2 Peter 3:13)

God has ordained marriage and defined it as the covenant relationship between a man, a woman and Himself. TC will only recognize marriages between a biological man and a biological woman.

That God wonderfully and immutably created each person as male and female. These two distinct, complementary genders together reflect the image and nature of God. Rejection of one's biological sex is a reflection of the image of God within that person.

That the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

That any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual behavior, bestiality, incest, and use of pornography) is sinful and offensive to God.

That in order to preserve the function and integrity of Teen Challenge of Arizona as the local Body of Christ, and to provide a biblical role model to the TC clients and staff and the community, it is imperative that all persons employed by Teen Challenge in a capacity, or who serve as volunteers, agree to and abide by this Statement of Marriage, Gender, and Sexuality.

That God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ.

That every person must be afforded compassion, love, kindness, respect, and dignity. Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and not in accord with Scripture nor the doctrines (policies) of TC.

Addiction is characterized by a progressive loss of control over the use of a substance or behavior. The user becomes obsessed with it despite adverse consequences and often vigorously denies the existence of a problem if confronted.

The faith-based approach of Teen Challenge is that merely abstaining from addiction will not provide a lifetime of success; however, success can be achieved by replacing those addictions with a fulfilling and life-affirming experience with Jesus Christ. In other words, we believe that the void which people often attempt to plug with addictions can be filled, instead, with a new identity in Christ.

The Statement of Faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of TC's faith, doctrine, practice, policy and discipline, our Board of Directors/Executive Management Team is TC's final interpretive authority on the Bible's meaning and application.

THE FOUR PILLARS OF CHANGE

IDENTITY - CHRIST-LIKENESS - PROTECTIVE LOVE - SELF EVALUATION

The Teen Challenge Discipleship Ministry is held up by these important pillars. Staff and students embrace the truth and process contained within each pillar to experience genuine transformation.

IDENTITY

Correctly perceived identity is crucial for lasting, meaningful life transformation. “We will all live in accordance with our perceived identity. In fact, no one can consistently behave in a way that is inconsistent with how he perceives himself.” (Neil Anderson, Victory over the Darkness) All behavior is purposeful.

Learning who we are in Christ will help us establish our true identity and is key to the development of a life-long relationship with God and lasting relationships with other people.

CHRIST-LIKENESS AS THE STANDARD

The Quality Standard of behavior for staff and students is Christ-likeness. Rules, regulations and laws should be respected in every area of life, but as Christians our standard for conduct isn't set by them. Our thoughts and conduct are determined by our character and the standard for our character is set by the example of Jesus Christ.

You shall love the Lord your God with all your heart, and with all your soul and with all your mind. This is the greatest and foremost commandment. The second is like it; you shall love your neighbor as yourself.

Matthew 22:37-39

PROTECTIVE LOVE

Protective Love for our behavior holds forth a quality standard for both staff and students. All agree to embrace Christ-likeness as the quality standard. If Christ-likeness as the quality standard is not fully embraced, and protective love is left to slip, the healing environment will be compromised.

Restoration from sin is accomplished by commitment to personal, internal and external life changes with Christ-likeness as the quality standard for all areas of our life. All behavior (especially matters of the heart) will be discussed. Personal accountability is examined with self-evaluation, a process that is redemptive rather than punitive. *James 5:16*

Protective Love is designed to create an environment that encourages positive personal life changes through Self-evaluation, leading to Christ like choices.

SELF-EVALUATION

Examine yourselves to see whether you are in the faith; test yourselves. Do you not realize that Christ Jesus is in you – unless, of course, you fail the test? *2 Corinthians 13:5*

Therefore, confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous person is powerful and effective. *James 5:16*

Let us examine our ways and test them, and let us return to the Lord. *Lamentations 3:40*

The ability to effectively evaluate one's own behavior is key to lasting personal change. Lists of rules, behavior modification, and punishment do not allow people to be internally transformed, but rather, are tools of control that push people to merely conform.

If we do not allow each other the freedom to fail, we do not allow each other the freedom to change. Self-Evaluation with Christ-likeness as the Quality Standard allows people the freedom to fail, the freedom to experience God's life-changing grace flowing from others, the freedom to make better choices, and ultimately the freedom to change from the inside out.

Self-Evaluations should be presented within two days of being lead into it.

THE ART OF ASKING GOOD QUESTIONS

Our goal is to ask questions that help people think, and to identify the values that lead to their choices. There are some simple guidelines to the art of asking good questions in Self-Evaluations:

What To Do & What Not To Do:

- Ask questions that cause them to think (not answer yes or no)
- Help them become aware of their value systems that lead to their choices
- No “WHY” Questions
- Do not attempt to give advice
- Lead people to evaluate **their own** behavior
- No preaching
- Don’t make it about your “stuff”, it is their evaluation

Examples of good questions:

- Will you help me understand what you were doing?
- Under what conditions does this tell you about your heart, and where it is?
- How do you get your love and belonging needs met?
- When do you think you are at your best?

The Bottom Line:

- What can they discover about themselves?

HOUSE SAFETY ISSUES AND PEER SUPPORT

It is the responsibility of staff and students to maintain a safe and healing environment for those who desire to complete the program and experience a positive life change. It is for this reason that guidelines have been established to provide a safe place for everyone.

House Safety Issues are:

1. Drug or alcohol use or abuse of prescription medication
2. Theft
3. Assault – Physical, verbal, sexual, racial, or possession of a weapon

VIOLATION OF A HOUSE SAFETY ISSUE INDICATES THAT A STUDENT HAS MADE THE CHOICE TO LEAVE THE PROGRAM.

PROCESS FOR LEAVING THE PROGRAM

When a student chooses to leave the program in this way, he must leave the program immediately. Staff will help in every possible way to coordinate an exit plan.

Three options are available for students who choose to leave in this manner:

1. The student may choose to go his own way and not return to Teen Challenge.
2. The Center Director reserves the right to uphold the student’s decision and not allow him the opportunity to be reinstated.
3. The student may ask for a meeting with the Peer Support Group for the purpose of being reinstated.

If the student chooses to meet with the Peer Support Group, he must contact the Center Supervisor or Dean of Men within 48 hours of his leaving. Any calls after this period will result in the individual not being considered for reinstatement.

If the Peer Support Group or the Center Director upholds the student's decision to leave, or the student chooses not to ask for reinstatement he must:

1. Make arrangements to collect all of his belongings the day of his departure. Teen Challenge is not responsible for the storage or security of items left at the Center.
2. Get approval from the Center Director in order to attend TC chapel services, events and activities.

PEER SUPPORT

Peer Support consist of three students, elected by the student body, and two staff members chosen by the Center Leadership.

Peer Support has two purposes:

1. To meet with students who have chosen to leave the program because of a House Safety Issue, desiring to be reinstated.
2. To meet with students who struggle with reoccurring issues without breakthrough, in order to formulate a plan moving forward.

HOUSE STRUCTURE

Structure is important to community living because it provides order, peace and safety in our work and living environments. Choosing to be in the program is choosing to live within the structure. We choose to be guided by Christ-likeness in our relationships with one another rather than by lists of rules and regulations. We must differentiate between the rules that govern our structure and the relationship required to uphold this structure.
